OUR CLUB

Established in 1872, Lilydale Football Netball Club celebrated 150 years in 2022, making us one of the oldest AFL Clubs in Australia.

Our club provides quality coaching & development programs to ensure all players reach their full potential and become quality people as well as leaders amongst our community.

Our footballers, train and play at the Lilydale Recreation Reserve in Main Street Lilydale, also known as the Lilydale Show Grounds. Our junior ground is located at The Gateway Reserve.

In season 2026, we will be competing in EFNL Division 2. Welcoming a fresh challenge, having signed many of our 2025 playing group; signed some quality recruits & fielding 3 full sides.

Mark Sandilands will continue as senior coach in 2026; with James Mosca as our Development Coach & we welcome Rick Smith as our U19's coach. Each year, we always welcome & encourage new players to the club.

Our netball program has been running for 10 years, securing 1 premiership & multiple finals appearances. We currently have 3 teams playing Friday nights, and always keen to create consistency, and build on the continued finals appearances.

In 2023 our first Over 50's Master team competed in the AFL Masters League. With over 60 players being involved, we welcomed over 55's in 2025 & the possibility of an over 45's team in 2026.

Excited for all our seasons to kick off in 2026!

BUILDING RELATIONSHIPS

Over the last couple of years, we have focused on increasing our community connection; building our network of business partners, fostering relationships with current members including past players, life members, current players & their extended families.

The future is bright for us, especially with a focus on building new clubroom facilities that the entire community will benefit from.

We hope you come along with us in 2026 and into the future.
